

# Faculty Adviser Authorization Form

You will need this form only if you register for ECE 417.

You cannot register for ECE 414 by yourself. You will need to bring this form signed by the faculty adviser to the ECE office first.

Each team member must fill out the form.

The form on next page has two identical parts. Print it and have each part signed by your advisor.

Leave one in the ECE office and keep one for yourself.
